BSC in Computer Science

SKILLS

- Git/GitHub
- Python
- Web Development
- R/RStudio
- JavaScript
- PHP
- MySQL
- Android Programming
- Photo and Video Editing
- Cloud Computing

INTRODUCTION

I'm a Computer Science graduate who finds joy in coding and navigating the internet's meme culture. With a knack for responsibility and eligibility, I thrive in team environments, blending professionalism with a passion for creativity. My journey intertwines technology and humor, as I code with precision and indulge in the communal laughter of memes.

"You miss 100 percent of the chances you don't take."

-Michael Scott

SOFTWARES

- Figma
- Adobe After Effects
- VS Code
- Jupyter Notebook
- Oracle Database
- MongoDB
- Android Studio
- Pycharm
